Dear Southgate Water Customer:

The City of Southgate Water Department is currently implementing a program to allow its water customers to automatically withdraw water payments from their checking or savings accounts. There is no charge for this service from the City of Southgate, although your financial institution may have a service fee. Automatic deduction will save you time, effort and money. Residents will be able to avoid the cost of postage, checks and late fee penalties. Following enrollment, you will receive an email on your billing dates that will clearly state the amount of the water invoice and the date it will be withdrawn from your account. If the sufficient funds are not in the account on the withdrawal date, the resident will be charged a \$25.00 non-negotiable NSF fee by the City of Southgate. If you have any additional questions, please feel free to call 734-258-3074.
